

Milliners Wharf

Overview //

Milliners Wharf comprises of 261 apartments and is located in New Islington a vibrant new Millennium Community in East Manchester. These fantastic canal side apartments have been finished to a high specification with large picture windows and balconies. New Islington is within a 5 minute walk to the City Centre or one stop on the Metro to Piccadilly Station. The neighbourhood benefits from a state of the art health care centre, pharmacies, schools, shops, bars, restaurants, a water park featuring house boats, a public park and is also within a short walk of Etihad Stadium home to Manchester City Football Club and Sport City, the stadium where the Commonwealth Games were hosted.

Works Carried Out //

This building is cleaned via cradle window cleaning methods by our team of qualified cradle operatives, some inaccessible areas require us to use Reach & Wash methods. Issues faced on this particular project include factors such as, high footfall at ground level, this is managed by placing exclusion zones below the working areas. Another factor which needs to be considered are adverse weather conditions.
